University of Pécs
2022-2025

Technical Skills

- JavaScript
- React
- HTML, CSS
- SQL (PostgreSQL)
- Git, Github
- Figma

Language

- Hungarian
- English
- German

👤 Profile

I'm a fresh Computer Science graduate, with a strong interest in problem-solving and a hands-on approach to challenges. I enjoy seeing things through from start to finish and always try to find practical, effective solutions. I'm now looking for an opportunity where I can build on what I've learned, gain real-world experience, and continue growing.

💼 Work Experience

2024.01 – 2024.10

Vimage App Kft.
Developer Trainee

- Collaborated with a small team to manage and update website design and content.
- Contributed to Android app development, providing support in various stages of the project lifecycle.
- Gained practical experience in web technologies and mobile app development.

🎓 Courses & Certifications

Scrimba - Frontend Developer Career Path Certificate

Completed an in-depth program covering HTML, CSS, JavaScript, and React, with a focus on building responsive and interactive web applications.
